TAX RATE SUBMITTED

Assessors Bruce Rocha and John Gibbons conferred with the Board of Selectmen and jointly agreed on the recommendation of the Assessors that Mattapoisett take the option of a factor of one to assess all property at the same rate. It was explained that this method was the fairest and best for Mattapoisett. The Assessors said that in heavily industrialized communities that

Buttons have been found in the tombs of Egypt and Greece, dating back 2,500 to 4,000 years. It wasn't until the 15th or 16th century, however, that the button-hole was invented.

a short fall of \$188,245 in auto excise tax. This was offset somewhat by receipts of \$67,112.25 in sewer connection betterment tax receipts. The \$24. per thousand recommendation will cover town expenditures as voted at Town Meeting and will make up the balance of the short fall.

The Selectmen will request a reduction of budgets for the next fiscal year from all department heads to keep town expenditures consistent with the voters' mandate. At present, they estimate a 10% minimum reduction in budgets.

ASKS FOUNDATION GIFT FOR LIBRARY

The Rev. Paul Myers, Library Trustee, issued an invitation to Selectmen to visit the library to inspect improvements there on the lower level. He said that construction has reached a crucial point and it is hoped that completion will be this year. For 5 years, he said, the town has furnished \$16,000 annually toward the construction and he estimated that \$10,000 will complete the construction. He said that the Trustees have estimates in the

\$22,000 to \$24,000 range for furnishing the lower level.

He asked that the George Coleman Foundation consider the library's lower level constructed for children as recipient of the \$10,000 gift to the town. The gift was requested to be for the benefit of youth and Mr. Myers stated that he could think of no better benefit than to furnish the children's room of the library to give long range benefit to the town's children and youth. He said that a suitable plaque could be installed as a permanent reminder of the gift.

The Selectmen noted that this is the second application for consideration for the Coleman Foundation gift. The first was by the Youth Committee to apply the money toward construction of an athletic field at Industrial Park Drive.

The Selectmen will meet with Mr. Myers to tour and inspect the library.

The New Bedford Whaling Museum has scheduled four whale watch trips this spring: Friday, May 8; Saturday, May 16; Wednesday, May 20; and Sunday, June 14.

The seasonal migration of several kinds of great whales makes this unique opportunity possible. Humpback, minke and fin whales are among those seen on past excursions.

Directed by Sandra Jurgelewica, Mousetrap features an all star cast including Ed Martin, Melissa Lavallee, Bill Fisher, Peter Windle, Marion Blasies, Dan Thompson, Steve Bell, and Ellen Grant.

Tickets will be available at the door. Reservations can also be made by calling 947-8493.

Recycling

When the party is over, does your holiday cheer end up in a trash can? What can you do with that case of empty beer bottles or cans, that pile of plastic soda bottles, that growing stack of newspapers? The Corporation for a Cleaner Commonwealth has a solution that will reduce your trash, help save the environment, and conserve energy: RECYCLE!

Many materials that you throw out in the trash can be recycled into "new" usable products. In fact, approximately 20% of your household waste materials can be recycled.

CCC offers you a free booklet entitled *Who Recycles What?*, which lists all the recycling collection programs throughout Massachusetts. Approximately 33% of all the cities and towns in the Commonwealth offer recycling programs, varying from simply collecting glass to collecting and processing glass, newspaper, aluminum, scrap, plastic, and leaves for composting.

To find out *Who Recycles What?* and where, call the toll-free CCC RecycLine at 1-800-882-1468. In Boston, call 482-5553.

The Corporation for a Cleaner Commonwealth is a private, non-profit organization which promotes community based litter control, recycling and public education programs throughout Massachusetts.

Tournament Bridge

Lizette Sylvia having won the required Master Points in tournament bridge competition has been advanced to the rank of Master by the American Contract Bridge League. Her next objective is National Master status.

Ruth Cunningham was a winner of the valuable and coveted Gold Master Points in the Regional Individual Bridge Tournament, the largest tournament of its kind in the world, held on January 3rd and 4th at the Boston Marriott Hotel in Newton, Mass. The requirements of this tournament were to play 104 hands of bridge in 2 days with 53 different and unknown bridge partners. There were 195 tables in play with a total attendance of 780.

Virginia Banks, Dorothy Harris, Pal and Jack O'Leary were winners of the prized Red Master Points in this same tournament.

Winners in the regular weekly bridge tournaments held last week at the Dartmouth Bridge Club are announced.

Monday evening, January 5, in the North-South direction Doris Liberty and Zelda Howard were first; Helen Linehan and Geoffrey McAbee, second; Lillian Johnson and Dennis Brienzo, third; George Leslie and Robert D'Anjou, fourth.

In the East-West direction Evelyn Weidner and Mae Vermette were first; Irving Shapiro and E. J. Tomasik, second; Dr. Bertram E. Howard and Michael Nestor,

third; Marc Sylvia and Mark Gallagher, fourth.

Wednesday morning twenty stout-hearted bridge players did not permit the snow-storm and slippery roads to interfere with their devotion to tournament bridge. The North-South winners were Barbara Kiarsis and Laurette Senecal, first; Doris Liberty and E. J. Tomasik, second.

In the East-West direction Charlotte
